Prepared dogs. Clear expectations. A setting selected for compatibility.

**\$45 per night**

Reserved separately and subject to availability

# Compatibility comes first.

This is not open-enrollment boarding. Eligibility helps protect the comfort, routine, and safety of the dogs in my care.

- 01** Post-program dogs  
Every dog that has completed the Freedom Through Responsibility program is eligible.

---

- 02** Other compatible dogs  
Dogs that have not completed the program may be eligible when they are crate trained, house trained, and compatible with the boarding environment.

---

- 03** Meet-and-greet required  
A pre-boarding meet-and-greet is required before a first stay.

## Before the first stay

The meet-and-greet gives us a chance to confirm compatibility, talk through your dog's routine, and decide whether this setting is the right fit. Additional stay details are provided after compatibility is confirmed.
